

Demon Derby Rules

What is Demon Derby?

Demon Derby is a new and original Printable Card Game by Morien Jones.

Dark creatures vie to become all-powerful and smite their challengers. The only safety lies in absolute power. The shadowy hand of the sinister undergroundsupernatural guild, the 'Gothic Nostra' is at work here, and it's time to select a new leader. There can only be one victor, and the losers pay with their lives.

Bring forth a power-hungry character from your team of super-charged beings, and compete. Only one character can survive each round of the power-race.

The play is quick and easy to pick up and many players can play, (I recomend a maximum of 4 players unless you print out more cards.) It also can work as a solo game, if you don't mind drawing cards for the "opponent".

For Ages 6 - Adult

Storyline

Beneath the agony and glamour of our world, beats the dark heart of another world ... a veiled world. Everything is not as it seems.

This is a world of magic and monsters, hidden from those whose eyes are not yet open to see. Pretenders plot and scheme. Beasts put on human skin and walk amongst us.

Prowling our urban jungles are creatures of darkness, changing our perceptions to avoid our gaze. Hiding whilst in full sight. Beware, my friend, beware.

One can smile ... and smile ... and be a villain.

Bolt the shutters and lock the doors, for something wicked is abroad.
